Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>Measures taken to complete the syllabus of courses and programs. All programmes and courses are governed by the academic calendar of the institution. All respective faculties and departments there-under are required to implement the syllabus prescribed by the Nehru Gram Bharati (DU) and complete the same to the satisfaction of the students and the institution. The Timetable Committee draws up a detailed timetable which efficiently deploys the units of time for academic and co-curricular purposes as for example, theory, practical, tutorial, ICT, life-skill, etc and add-on classes thereby ensuring a balance between the different types of engagement a student is expected to participate in. The departments strive for effective curriculum transaction through a combination of time-tested and innovative teaching-learning methods: beginning with an entry-point assessment of the student's aptitude and expectations relating to the course; and proceeding according to a set of teaching-learning plans based on the fore-issued academic calendar detailed to cover the syllabus within the specified timeframe, yet being flexible enough to permit changes. The teaching plans consist of detailed apportionment of the syllabus among all the faculties members under concerned departments. The apportioning is done democratically through discussion and deliberations among faculties in departmental meetings. Faculty members take utmost care to complete the syllabus in time. Tutorials/projects, class tests and internal assessments form the basis for the formal evaluative processes, at the same time students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Extra hours are devoted to taking remedial classes with focus on slow-learners after completion of internal examinations and also to bolster students' preparedness before the end semester examinations. Periodic meetings of IQAC takes stock of the progress of teaching-learning process, among other things and meetings of the Department with concerned Dean and parent-teacher meetings are other forums where progress of the transaction and delivery of curriculum are regularly monitored and necessary course corrections are initiated.</p> <p>Nehru Gram Bharati (DU) has well equipped itself with smart class rooms, ICT enabled class rooms, audio-visual equipment and other ICT facilities which are extensively used by faculty members in day-to-day teaching to make delivery of the curriculum attractive, exhaustive and interactive thus generating comprehensive understanding among the students. Interactive teaching is further promoted through students' participation in group discussions, quizzes and seminars. Special lectures delivered by eminent scholars on topics related to the curriculum further intensify students' learning experience. Individual and group projects form the basis of experiential learning and offering pragmatic exposure to the students.</p>
