## Action Taken Report

**Sub: Action Taken Report (ATR) on Minutes of IQAC Meeting held on 18.05.2017**

Further to Issue of above minutes , efforts were made that all concerned faculty members and functionaries in the Deemed to be University appreciate the spirit of NAAC observations for elevating the professionalism in our working to meet aspirations of our students in their career building. Role of ICT currently in access and use of latest knowledge was repeatedly emphasized at all possible platforms. Education Deptt. was prompted to consider and adopt concerned Computer Softwares for imparting language Skills in its all the programmes, pronunciation, grammer enriched vocabulary etc.

It was also noted that different faculty members developed different levels of nacks to adopt ICT in teaching, learning and Evaluation, Research etc. Whereas the faculty members of Science, Management, Commerce, Journalism and Mass Communication adopted delivery of contents using powerpoint/Presenter; those of different natural languages and humanities remained a slow starter. Likewise, need was also felt to have eloborate policy for knowledge aquisition and its ethics, good research practices and research promotion policy.

(Prof. R.C. Tripathi)

Member Convener

and

Director-IQAC
