## Green Audit Certificate

To whom it may concern

This is to certify that I have conducted a 'Green Audit' for **Nehru Gram Bharati (Deemed to be University) Kotwa, Jamunipur-Dubawal, Prayagraj, Uttar Pradesh** in January 2022 to assess the University's performance against green initiatives and environmental concerns which are included in the policies and objectives of University.

The present 'Green Audit' covers waste management, water management, energy management, green area management, and green policies and facilities within the University Campuses. During the green audit, desired cooperation and active participation were received from concerned stakeholders of the University and the present audit study has been successfully completed with the help of the Green Audit Committee of the University.

I wish good luck to Nehru Gram Bharati (Deemed to be University) for its future endeavors toward the Green Campus initiative.
