# Introduction of the Programme: [a] Introduction:

The NEP-2020 offers an opportunity to effect a paradigm shift from a teacher-centric to a student- centric higher education system in India. It is based on Outcome Based Education, where the Graduate Attributes are first kept in mind to reverse-design the Programs, Courses and Supplementary activities to attain the graduate attributes and learning outcomes. The learning outcomes-based curriculum framework for a degree in B.P.A./B.P.A. (Honours)/B.P.A.(Honours with Research) in Music Vocal is intended to provide a comprehensive foundation to the subject and to help students develop the ability to successfully continue with further studies and research in the subject while they are equipped with required skills at various stages. The framework is designed to equip students with valuable cognitive abilities and skills so that they are successful in meeting diverse needs of professional careers in a developing and knowledge-based society. The curriculum framework takes into account the need to maintain globally competitive standards of achievement in terms of the knowledge and skills, as well as to develop spirit of enquiry, problem solving skills and human and professional values which foster rational and critical thinking in students.

# Course Outcomes: After completing this course, the students will be able to -

CO1: Understand the Foundations of Indian Knowledge Systems

Students will be able to explain the scope, structure, and interdisciplinary nature of Indian Knowledge Systems (IKS), particularly in relation to Indian classical arts.

CO2: Analyze the Role of Music in IKS

Students will interpret the role of music within the broader IKS framework—its integration with Vedic, philosophical, and ritualistic traditions.

CO3: Recognize Classical Music References in Ancient Texts

Students will be able to identify and discuss musical concepts found in ancient Indian texts like the Natya Shastra, Sangeet Ratnakar, and Vedas.

CO4: Relate Indian Classical Music to Literature and Language

Students will explore how Bhakti literature, Sanskrit, and poetic forms influence the development and performance of Hindustani vocal music.

CO5: Evaluate the Contemporary Relevance of IKS in Music

Students will critically assess the application of IKS in present-day music education, performance, and research in line with NEP 2020.
