☒Inaugural session: At the beginning of the webinar, the first head of the Department of Commerce was Dr. Vinod Kumar Pandey welcomed all the guests. After that Prof. RC Gupta inaugurated the webinar. He elaborated the topic of the webinar and told that today people are migrating towards the village, the main reason for this is that the effect of COVID-19 in the village is very less, here people are feeling safe. By developing a village, we can make Indian economy a leading economy.

After that the Vice Chancellor welcomed all the guests and told that the soil of the village enhances our immunity, hence the effect of COVID -19 in the village has been reduced. In this sequence, while addressing the webinar, Chancellor Shri JN Mishra said that Mahatma Gandhi had said that the souls of India reside in Villages development of villages is possible only through educational development. Our Nehru Gram Bharti University is playing a pioneering role in educational development in rural areas. The workers who are coming back to the villages are the manufacturing forces in our country they will have to provide employment in the village itself. In the end, the Registrar, Shri RL Vishwakarma, proposed a vote of thanks.

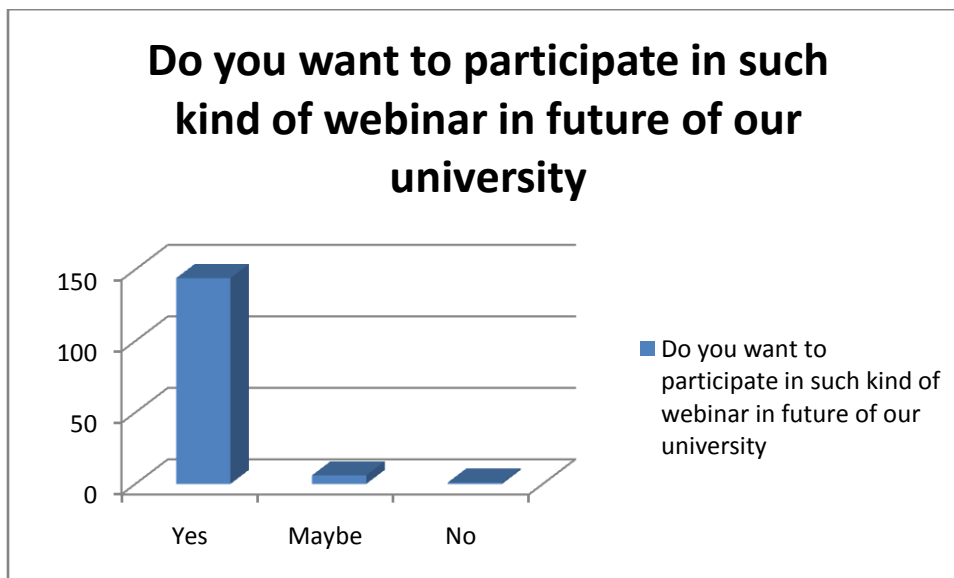

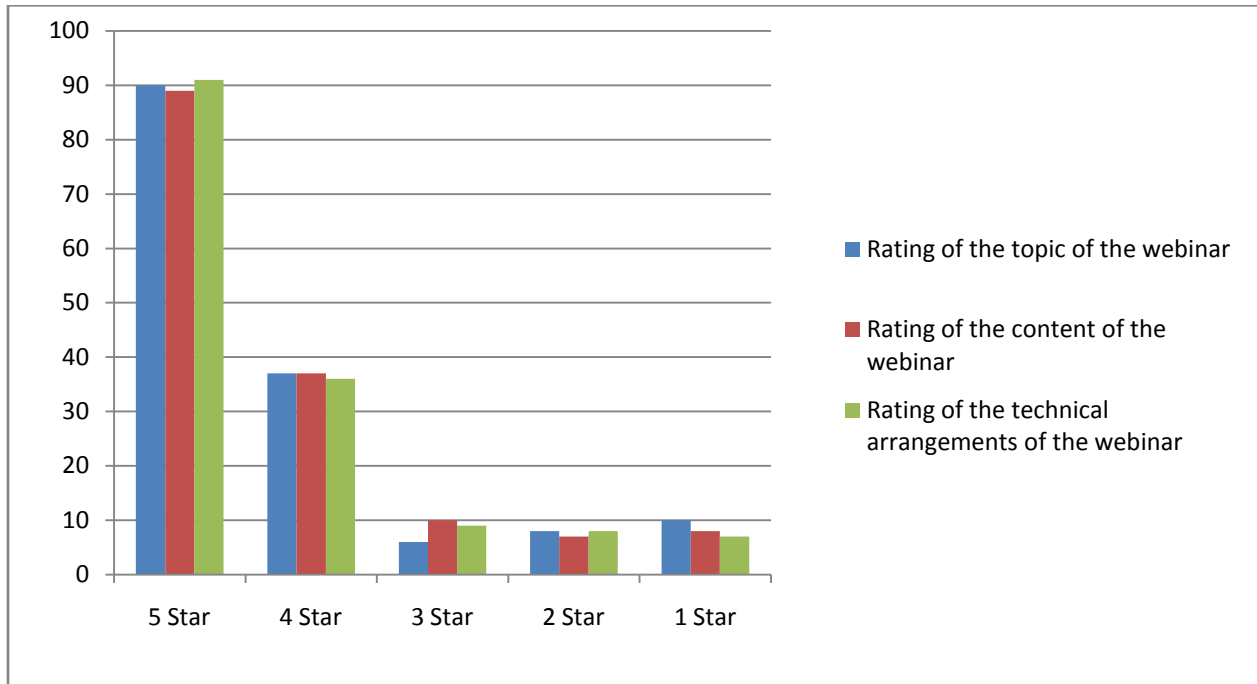

☒Technical session I: In Technical session First Prof. S. K. Bharal told that due to COVID-19 we have been imprisoned in homes which had a profound impact on economic, religious, cultural and political activities. India will have to make villages the center of its economic activities so that Indian economy can develop at a fast pace.

In Technical session II: Prof. O. P. Gupta threw light on the Indian geographical location. He said that the economy of the Indian economy is forest. By developing agriculture in this global economic temple, we can save the economy from the downturn

In technical session III: Prof. B. D. Sharma said that agriculture has been a major contributor to exports. We can increase exports by developing small and medium industries based on agriculture in villages.

In Technical Session IV: Dr. Akhilesh Chandra Pandey of Allahabad University said that agriculture sector can play an important role in providing employment to migrant laborers in villages, this will also increase our agricultural productivity.

III) FEEDBACK/ outcome of the Webinar: (brief write up)

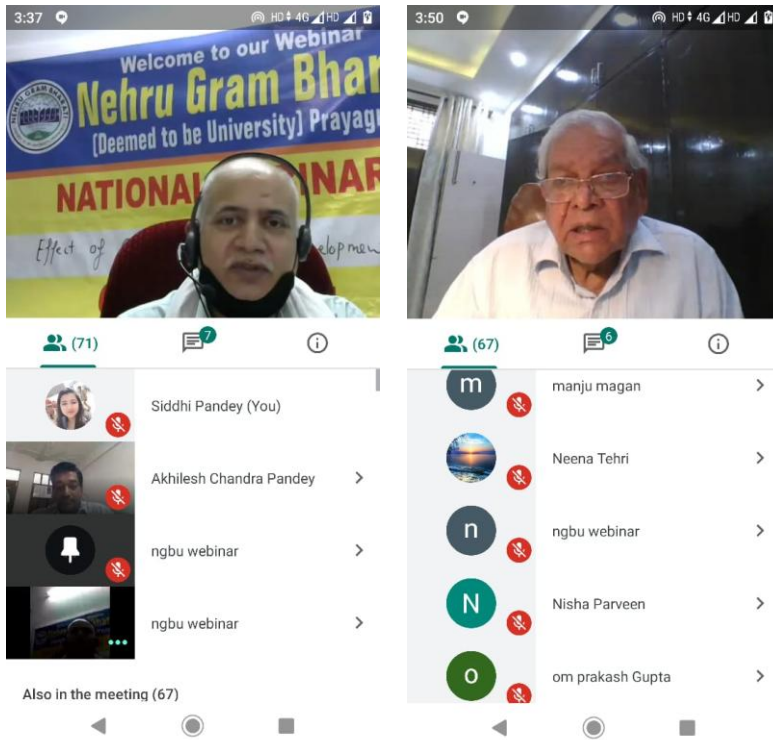

#### IV) RESOLUTIONS/ RECOMMENDATIONS:

1. India has to be self-sufficient.
2. Migrant labourers should provide employment in rural areas only.
3. Infrastructure in rural areas will have to be strengthened.
4. Financial assistance should be given for setting up small and medium scale industries in rural areas.
5. To strengthen rural marketing, purchasing centers should be opened in the village itself.
6. Government efforts should be made to export agricultural produce.
7. The government should guarantee the profitable price of agricultural produce.
8. The minimum wages should be guaranteed to the agricultural laborers.
